

Building Industry Association of Southern California, Inc.

BUILDING INDUSTRY SHOW 2022

ANAHEIM CONVENTION CENTER • SEPTEMBER 14-15, 2022

Exhibitor Move In and Parking Directions for ACC North Building

Exhibitor Move-In | Wednesday, September 14, 2022

9:00 AM - 5:00 PM

Exhibitor Move-Out | Thursday, September 15, 2022

5:00 PM - 9:00 PM

Move in Directions and where to park are outlined below based on the size of your booth display and your preferences to Hand Carry or use the Loading Docks. There are two options for move in so please review carefully.

[Loading Dock Entrance to ACC North](#)

The loading dock entrance is for Cartload Service:

1) Exhibitors with smaller displays who have ordered Cartload Service for delivery to your booth on a pushcart with GES. **Ordering for Cartload Service can be found here: <https://ordering.ges.com/>**

2) Commercial trucks and larger box trucks with heavier equipment.

Exhibitor's will check-in with the security personnel at the Loading Gate prior to enter. You will see a dock leading down below street level. Mention you are exhibiting at the BIS 2022 Show, the guards will have a list.

Maps and driving directions can be found at <https://buildingindustryshow.com/location/>

Car Park 1 at the ACC North: - For Hand Carry Exhibitor Parking and POV:

This is for:

Smaller Booth Displays and Exhibitors who wish to "Hand Carry" and can set up their booth in under an hour. Please note the exhibit hall is down an escalator once you enter the main lobby entrance to ACC North.

If you have more than you carry in one-trip, you should be using the loading docks and order cartload service from GES. Please check rates for services on material handling fees at <https://ordering.ges.com/>

Parking costs are \$20/day and they accept all credit cards, no cash.

No overnight parking in CarPark 1 is allowed. In and out privileges are allowed if you plan to leave and come back later that same day, but you must be wearing your exhibitor badge and have your original parking receipt available.

Maps and driving directions can be found at <https://buildingindustryshow.com/location/>
